

SPRING BREAK CAMP

A BIT OF SUMMER IN THE SPRING!

Laffalot's Spring Break Camp presents a unique opportunity for kids 6-12 years old to spend a high-energy, fun-filled day playing the sports, games and activities that they love to play. Games include Pillo Pollo, Crazy Ball, Scavenger Hunts, Floor Hockey, Dodge Ball, Soccer, Flag Tag, Kickball, and Steal the Flag!

At camp, kids are broken into small groups led by carefully selected, well-trained camp counselors who play a "Big Sister or Big Brother" leadership role, providing personal attention and direction to the campers while the directors, drawing from their extensive education and experience teaching and coaching kids, focus on basic instruction, participation, fair play, and having fun. Camp is designed to develop teamwork, encourage friendly competition, promote good sportsmanship, build whole body coordination, and improve interpersonal skills.
