

**FIRST GRADE CLASS PLACEMENT
PARENT INPUT FORM
NEW STUDENT**

Our goal is to match your child's overall learning needs and preferences to an appropriate classroom environment. If there is specific information you would like us to consider as we make placement decisions regarding your child, please let us know using the form below. This form should be returned to Loveland Early Childhood Center. Please make sure that you include any input that you would like us to consider on this form. Due to the high number of students placed each year, e-mails, personal notes, phone calls and impromptu meetings become too cumbersome and therefore cannot be included in placement considerations. We look forward to working with you and your child.

STUDENT: _____ **GRADE:** _____

Note: Specific requests for teachers will not be granted. If there is a classroom environment that you believe will not work, please let us know. If an older sibling had a teacher at Loveland, you may comment on that experience and it will be taken into consideration.
