**The homeless veteran population has grown to over 64,000 American veterans. Many organizations exist to care for our homeless veterans, but they are transient, which makes them tough to serve. The primary job of Operation Deep Freeze is to collect brand new hats, gloves, socks, jackets, and any type of winter gear to help them survive. Last year the LHS NHS and the My GI Foundation collected 1,021 items with a retail value of \$7,190. Everyone who donates will get a card for a free cactus blossom or fried pickles from Texas Roadhouse. Bring items to NHS members, Mrs. Shelley, or Coach Thomas.**
