Paper Retriever (Recycling Program)

We now have two Abitibi Paper Retriever Bins (the green and yellow dumpsters that you see around town). One of our bins is located out front door 18. The other one is located in the rear of the school (behind the LES playground) by door 6.

This is part of our recycling program here at school.

The environmentally friendly program allows us the opportunity to earn money for our school. We welcome everyone in the community to participate in this fundraising program. There is a sign on the bin indicating what can be included. In general, we want your old newspapers, magazines, catalogs, office/school papers, and junk mail. Shredded paper is also welcome as long as it is placed in a plastic bag prior to being tossed in. The bin does not accept corrugated cardboard, food/cereal cartons, glass, or plastic. Thank you in advance for helping our school and the environment!

Winter Parties

LPS and LES

The classroom winter parties will be held on **December 18 this year. Please check with your child's teacher for individual times and details.**

Changes in the Weather

- 12/4 = Interim Reports Go Home for Students w/concerns
- 12/18 = Winter Parties & Spirit Day
- 12/19-1/3 = Winter Recess
- 1/4 = School Resumes

PENN Alerts

Loveland Schools utilizes a "Personal Emergency Notification Network" for notifying our students' families of school closings or delays. If you do not receive a call from this system on days when the school is closed or operating on a delay, please call the school office to let us know. It may be a matter of simply getting your most recent/accurate phone number.

LPS Fine Arts Nights

First & Second Grade Families:
Mark your calendars now for a fun-filled evening. We will have our annual Open House/Fine Arts Nights for first and second grades in January. First grade will take place on the 5th and 6th of January. Second grade will take place on the 11th and 12th. The first grade will follow a different format this year with additional details coming home soon from Mrs. Henn and Ms. Book (our music teachers).

Edline!

Edline is a safe and easy way for families to receive school related information in a timely manner. When you activate your Edline account, you have the option to receive school related emails. An Edline letter was sent out in the fall containing your activation code. We encourage all families to activate their Edline accounts. If you need assistance setting up or combining your accounts, please contact Stacey Leever at 683-3101 ext. 3582 or leeverst@lovelandschools.org.

Our staff wish you a Great Holiday Season!
