Our school and school district provide equal access and comparable services to all students regardless of their home living situation. Homeless students are not required to attend a separate school for homeless youth and have the right to benefit from programs for which they are eligible. Some examples of these programs are for students who are disabled, gifted, limited-English proficient, or participate in vocational education and preschool programs.

You also have the right to be enrolled immediately in school and to participate in and benefit from such programs as:

- Free or reduced price school lunch program
- Title I services (that may include additional academic support such as before or after school programs, summer school, help in the regular classroom, etc.)
- Transportation services
