**May 28–31**

**Summer Fun has Begun!**

Welcome to camp! This week, campers will explore an introductory unit while learning the camp routine! Daily writing, reading, physical, and skill-building activities will take place and will continue throughout the summer. Campers will also enjoy Kona Ice and their first water day!

**June 3-7**

**Swinging into Sports**

Want to learn about soccer, baseball, and other sports around the world? Campers will learn all the history and rules of a variety of sports and will also take their knowledge to the field! Highlights will include a field trip to the Reds' Hall of Fame and bowling at Mason Bowl.

**June 10-14**

**Animal Adventures**

Animals, animals, animals---from armadillo to zebra! Campers will explore the wild world of animals, including the different classifications of animals and what makes them unique! Highlights will include field trips to the Cincinnati Zoo and Ohio Falconry.

**June 17-21**

**Let's Explore the Great Outdoors!**

Join us for a week of outdoor adventure. Campers will learn all about the great outdoors through hiking, creek, and exploring the nature around them first-hand. Highlights will include visits to the Cincinnati Nature Center and Nisbet Park.

**June 24-28**

**Master Chef Minis**

Are you the next Julia Child or Emeril Lagasse? Campers will learn about cooking techniques and the cultures that influence cooking. We will create dishes of our own and even shop for our own ingredients! Highlights will include visits to Jungle Jims, Findlay Market, and a visit from a local chef!

**July 1-5**

**Crack the Case!**

There is no "I" in team! Campers will learn all about teamwork and working together to complete a task. We will complete team-building exercises and learn important problem-solving techniques that will last a lifetime. Highlights will include an in-house children's escape room!

**July 8-12**

**Out of this World!**

Do stars, supernovas, and black holes intrigue you? If so, this is the week for you! Campers will learn about the wide world of space. We will study astronomy, the vehicles used to explore space, and much more! Highlights will include field trips to COSI and iSpace.

**July 15-19**

**Imagination Station**

Have you ever wanted to build your own toy or Rube Goldberg machine? This week, campers will study a variety of features, causes, and purposes for such objects. Highlights will include field trips to EnterTrainment Junction and The Happen Toy Lab.

**July 22-26**

**Lights, Camera, Action!**

Do you have the acting bug? If so, join us for your moment in the spotlight. Campers will learn about numerous types of performing arts as well as the history and techniques used to create performances that captivate audiences. Highlights will include visitors from Play House in the Park and creating our very own performances!

**July 29-Aug 2**

**Get Ready, Get Safe!**

Do you dream of becoming a firefighter, police officer, or another type of first-responder? If so, this is the week for you! Campers will learn about the community helpers who work hard to keep us safe and will learn how to stay safe in various situations. Highlights will include a visit to the Cincinnati Fire Museum.

**Aug 5-9**

**What Happened in History**

Are you a history buff? Campers will learn all about the natural history and historical figures of this area. Campers will enjoy exploring The Trammel Fossil Park to hunt for their own fossils and will also travel to the Museum of Natural History.

**Aug 12-16**

**So Long, Summer!**

All good things must come to an end. This week, campers will wrap up the summer by reflecting on all that was learned and experienced throughout the summer. We will conclude all of our projects and also enjoy a field trip to Pogo Play and a local park!
