

# LOVELAND SCHOOLS FOUNDATION DISTINGUISHED ALUMNI AWARD NOMINATION FORM

For many years, Loveland Schools have produced outstanding graduates who have excelled in their vocation or avocation and have had a positive impact on their communities, society, and the lives of others. It is for these reasons that the **LOVELAND SCHOOLS FOUNDATION** has established a **DISTINGUISHED ALUMNI AWARD** to honor graduates who have used this Loveland Schools education to succeed and give back. This is a **LIFETIME AWARD** which shows a continued striving for achievement, over many years, that has resulted in a **SIGNIFICANT** contribution to his/her vocation, avocation and/or community to in some way impact society

It is the purpose of the Foundation to identify a group of quality award candidates and to set up an Alumni Awards Day that would be memorable for the award winners, current Loveland students and the community at large. In addition to recognizing the graduates, a major objective of the program is to make current Loveland students, employees and the entire community aware that the Loveland School System produces outstanding graduates who have demonstrated leadership and excellence in their professional and personal lives.
