The Board shall not discontinue dues without authorization from the Association. The Association shall be responsible for reimbursing any member any
owed dues that are taken out after the notification to the Association if the Association fails to notify the Board.

N. Representatives of the Loveland Education Association, affiliate of the NEA/OEA/SWOEA, may meet with bargaining unit members before or after the member's workday, on the member's planning time or lunch break. S. A telephone shall be provided in each building for the private use of bargaining unit members.

a. Such telephones shall be in a place readily accessible to employees.

b. This phone is to be used primarily for official school district business.

c. No long distance calls shall be made from this phone unless prior consent is given by a building administrator.

d. Personal calls shall be kept to a minimum.
ARTICLE 3
GRIEVANCE PROCEDURE

The parties recognize the need for an efficient and effective method for solving problems in the Loveland School District. The following procedure is designed to achieve this end. Bargaining unit members are encouraged to attempt to settle differences or disputes before filing a grievance. If such an attempt is inappropriate or ineffective then the grievance procedure shall be used.

DEFINITIONS:

Grievance

Procedure A - An alleged violation, misinterpretation or misapplication of the written provisions of this agreement

Procedure B - An alleged violation of a Board policy, rule, or regulation and/or an administrative policy, rule, or regulation.

Grievant - An employee or group of employees alleging a violation, misinterpretation or misapplication of the written provisions of this agreement. A grievance alleged by a group shall have arisen out of identical circumstances affecting each member of said group.

Day - A scheduled workday on the school calendar. In the event that the processing of a grievance runs past the last day of the school year, a day shall be defined as a normal workday for the administrators involved.

PROVISIONS:

A. Nothing contained herein shall be construed as limiting the individual rights of a bargaining unit member having a complaint or problem to discuss the matter informally with members of the administration through normal channels of communications, without intervention or consultation of the Association, provided the adjustment of such complaint or problem is not inconsistent with the terms of existing personnel policies and this Contract.

B. The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time, resolution to grievances which may arise.

C. All bargaining unit members shall have the right to file a grievance as set forth in this procedure without fear of reprisal. For the purpose of this article, reprisal shall be defined as blatant discrimination against a grievant regarding his/her employment status and/or evaluations.

D. A grievant shall have the right of representation at any level of this procedure. This, however, shall be limited to a single representative at Steps One and Two of the procedure.

E. A grievance may be withdrawn at any level of this procedure.
F. Time lines of this procedure shall be considered as maximums, unless otherwise mutually agreed to in writing.

G. The Association will designate one or more representatives for processing grievances in each building. The name of the designated representative(s) shall be given to the principal of the building concerned and to the Superintendent within one (1) week after such designation.

H. Uniform Application - The Board agrees to apply uniformly all Board policies, rules, regulations and administrative rules and regulations to all members of the Bargaining Unit throughout the Loveland School System. This Section H shall be limited to Procedure B of this procedure.

PROCEDURE:

Step One - Procedure A and B: A grievant shall initiate a grievance within fifteen (15) days of the time when the grievant is made aware or should have been aware upon the exercise of reasonable diligence of the event or situation upon which the grievance is based or such grievance is deemed waived. The written grievance shall be filed with the employee's building principal (in the case where the principal has no authority to render a decision, the Superintendent) within the fifteen (15) day limit. Within five (5) days of the receipt of the written grievance, the principal (in the case where the principal has no authority to render a decision, the Superintendent) shall arrange a hearing. The grievant must be present at the hearing but may be represented by a member of the Association. The principal (in the case where the principal has no authority to render a decision, the Superintendent) shall render a decision in writing (form B) within five (5) days after the conclusion of the hearing.

Step Two - Procedure A and B: If the grievant is not satisfied with the decision of the building principal, he/she may within five (5) days of receipt of the written decision (Form B) present the grievance and the building principal's decision to the Superintendent of the Loveland City Schools. The Superintendent shall hold a hearing with the grievant and with other parties of interest within ten (10) days of receipt of the appeal. The Superintendent shall communicate his decision in writing (Form C) to the grievant and principal within ten (10) days of the adjournment of the hearing.

Step Three - Procedure A: Only grievances defined under DEFINITIONS: Grievance Procedure A, may be processed to this step of the grievance procedure.
If the grievant is not satisfied with the decision of the Superintendent, he/she may within five (5) days of receipt of the written decision (Form C) present the grievance to an arbitrator by giving written notice to the Superintendent.

The arbitrator shall be chosen from a list provided by the American Arbitration Association (AAA). Selection and hearing shall be in accordance with the voluntary rules and regulations of the AAA. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding.

The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination. The arbitrator shall in no way interfere with management prerogatives involving Board discretion nor limit or interfere in any way with the powers, duties, and rules and regulations having the force and effect of law.

The costs for the arbitration shall be borne by the losing party (hearing and arbitrator).

**Step Three - Procedure B:**

Those grievances defined under DEFINITIONS: Grievance Procedure B may be processed to this step of the grievance procedure.

If the grievant is not satisfied with the decision of the Superintendent, he/she may within five (5) days of receipt of the written decision from the Superintendent request a review of the decision by the Board. The request shall be submitted in writing to the treasurer of the Board along with copies of the grievance and its disposition at steps two and three. The Board shall hold a hearing on the grievance within one month of the receipt of the materials by the treasurer. The decision of the Board shall be in writing and shall be submitted to the Superintendent and grievant within fifteen (15) days of the adjourning of the hearing.

The Board’s decision is final and binding and shall end the grievance procedures under Procedure B.

ARTICLE 4
REDUCTION IN FORCE

A. The following reasons shall apply when the Board determines it is necessary to reduce the number of certified staff positions:

1. Decline in student enrollment.
2. Return to duty of regular bargaining unit members after leaves of absence.
3. Suspension of schools, or territorial changes affecting the district.

B. To the extent possible, the number of bargaining unit members affected by a reduction in force will be minimized by not employing replacements for those employees who retire or resign.

C. Reductions needed beyond those available by attrition, as mentioned in B, will be made by suspending contracts. The Superintendent shall give notice of intent to suspend contracts to the Association fifteen (15) days prior to the Board action and to all bargaining unit members so affected fifteen (15) days prior to Board action. The Association and Superintendent shall confer on the reasons for such reduction within ten (10) days of receipt of notice of the Superintendent’s intent to recommend such reduction to the Board. Except for extraordinary or catastrophic circumstances, any reductions shall take effect as of a date between the last contract day of any school year and the first contract day of the following school year.

D. A list shall be prepared and kept updated ranking all tenured bargaining unit members by seniority, giving all areas of certification and present teaching assignment(s); then all nontenured bargaining unit members in the district by seniority, giving all areas of certification and present teaching assignment(s).

E. Seniority shall be defined as continuous employment of a bargaining unit member beginning with the first date the bargaining unit member reported for duty. Continuous employment shall include all time on sick leave, Board approved leaves of absence, military leave, disability retirement to a maximum of five years, and all time during suspension pursuant to a reduction in force if the bargaining unit member has been recalled. Seniority shall be lost when a teacher resigns or retires and is accepted in the retirement system. In the event two or more members have the same seniority, the person with the earlier date of application will be more senior. If a tie remains, seniority will be determined by lot.

F. Procedure

If it is deemed necessary by the Board to reduce staff, the Board shall proceed to suspend contracts for teachers who have been evaluated in accordance with the evaluation procedure of this agreement. Suspension of contracts shall be recommended by licensure/certification area and an order shall be based on the following:
1. First, the Board shall handle staff reductions through normal attrition (early retirement, resignations, etc.)

2. Second, limited contract teachers shall be reduced first utilizing the following order:
   a. Licensure/Certification
   b. Competency as determined by a rolling three years’ average rating of teacher performance of the formal evaluation
   c. When evaluations are comparable, seniority in the District shall prevail

3. Third, continuing contract teachers shall be reduced by utilizing the following order:
   a. Licensure/Certification
   b. Competency as determined by a rolling three years’ average rating of teacher performance of the formal evaluation
   c. When evaluations are comparable, seniority in the District shall prevail

4. Using the criteria in this provision, the District will establish the order in which members’ contracts are suspended and will recall members in reverse order.

5. For the term of this Agreement, all evaluations resulting in a final holistic rating of Accomplished, Skilled, or Developing shall be deemed comparable. An evaluation resulting in a final holistic rating of Ineffective shall be considered less than comparable and may result in a teacher with more seniority being reduced before a teacher with less seniority.

G. Displacement rights may be exercised by those bargaining unit members affected by the reduction who are certified to teach in a different teaching field. The affected bargaining unit member may displace the least senior bargaining unit member who is currently assigned in the affected bargaining unit member’s second area of certification provided that the evaluations of the displacing teacher and the displaced teacher are comparable as determined by Article 4(1)(f)(5). The displaced bargaining unit member may also exercise displacement rights, if possible, or shall be part of the reduction in force. The displacing bargaining unit member must have completed two (2) successful years, in the second area of certification within the past five (5) years, or undertake a Superintendent approved in-service or training program in said teaching area. Cost for such program shall be borne by the Board.

H. The names of bargaining unit members whose contracts are suspended in reduction in force shall be placed on a recall list for up to twenty-four (24) months from the date of suspension. Bargaining unit members on the recall list shall have the following rights:
1. No new teachers will be employed in a regular position while there are individuals on the recall list who are certified for that position.

2. Bargaining unit members on the recall list will be recalled in order of seniority for regular vacancies if their evaluations are comparable as determined by Article 4(F)(5), provided they are qualified and certified for that position.

3. If a vacancy occurs, the Board shall send an announcement by certified mail to the last known address of all bargaining unit members on the recall list who are qualified according to these provisions. It is the bargaining unit member’s responsibility to keep the Board informed of his/her current address and phone number. Any bargaining unit member who fails to respond in writing to the Superintendent's office within ten (10) business days, or declines a regular position, shall forfeit all recall rights.

4. A bargaining unit member on the recall list shall, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave and salary schedule placement as said bargaining unit member enjoyed at the time of layoff.

5. If the bargaining unit member desires to continue his/her group insurance benefits, he/she may do so through COBRA coverage.

I. The Administration will provide letters of recommendation for bargaining unit members affected by a reduction in force, and will attempt to provide other forms of assistance, where possible, upon the request of the bargaining unit member.

J. To the extent permitted by law, these reductions in force provisions shall supersede and replace ORC 3319.17.

**ARTICLE 5**

**DISCIPLINARY ACTION**

A. The Board may take progressive disciplinary action against any bargaining unit member for violations of, or failure to comply with, any provisions of this contract or any rules and regulations adopted by the Board, or other good and just cause.

B. In any meeting between a Bargaining Unit Member and a representative of the Board at which discipline of that bargaining unit member is to be announced, an Association representative may, at the bargaining unit member’s request be present.

C. The term "discipline," as used in this article, shall include dismissals and suspension for cause or written reprimands to be recorded in the personnel file of any bargaining unit member when such reprimand may be considered as a basis for future disciplinary action.
D. Procedures - Normal progressive disciplinary action will take the following steps:

1. Conference between the bargaining unit member and the appropriate administrator. This is a verbal warning with no action taken. A general record, consisting of date, time and general topic of such conference shall be maintained in the bargaining unit member's personnel file.

2. Conference between the bargaining unit member and the appropriate administrator. At this step a written reprimand shall be provided to the bargaining unit member, who will initial and date it. This does not indicate that the bargaining unit member agrees with the reprimand, only that it has been inspected by the bargaining unit member. The appropriate administrator shall date and initial the reprimand and place it in the bargaining unit member's personnel file.

3. Conference between the bargaining unit member, appropriate administrator, and Superintendent. At this step, the Superintendent may suspend a bargaining unit member for up to ten (10) school days without pay. The outcome of this conference will be documented and provided to the bargaining unit member, who will initial and date it. This does not indicate that the bargaining unit member agrees with the documented outcome, only that it has been inspected by the bargaining unit member. The appropriate administrator shall date and initial the documented outcome and place it in the bargaining unit member's personnel file. If suspension occurs, upon the request of the bargaining unit member, the Board of Education shall review the decision.

E. It is understood that serious disciplinary matters may result in the issuance of written reprimands and/or suspension as well as termination without first following Step 1, Step 2, or Step 3 of paragraph D above.

F. Disciplinary action, except for termination, is subject to the grievance procedure as set forth in this Contract. Any termination is subject to section 3319.16 of the Ohio Revised Code.

ARTICLE 16
SUPPLEMENTAL SALARY SCHEDULE

A. The salaries of the supplemental positions are based on Supplemental Salary Schedules in Appendix Ia, Appendix Ib and Appendix Ic.

B. Any person with a supplemental contract, in the area of athletics, will be paid for that supplemental position by direct deposit, after approval of the athletic director. The schedule for payment will be:

ARTICLE 17
TRAVEL REIMBURSEMENT

A. In arranging schedules for bargaining unit members who are assigned to more than one building within the district, an effort will be made to limit the amount of inter-school travel. Travel reimbursement does not apply to supplemental contract work and travel related thereto within the Loveland City School District.

B. The Board shall provide liability insurance for all bargaining unit members who are required to transport students.

ARTICLE 18
SEVERANCE PAY

The Board will pay for accumulated sick leave upon retirement of the bargaining unit member in accordance with the following procedure:

A. Severance pay will be calculated using unused accrued sick leave up to a maximum of 250 days. The Board will pay bargaining unit members thirty-five (35) days plus twenty-five (25) percent of unused sick leave days above thirty-five (35) at the time of retirement.
B. The daily pay rate of the bargaining unit member will be his/her base rate as of the last day of service. The daily rate for salaried bargaining unit members will be calculated by dividing the most recent base salary by the number of work days in the approved school calendar. The daily rate for hourly bargaining unit members shall be calculated on the number of hours worked while on the last regular assignment, not to exceed forty (40) hours for one week.

C. Payment for sick leave on this basis will eliminate sick leave credit accrued by the bargaining unit member at that time. Such payment may be made only once to any given bargaining unit member at the time of retirement as defined and regulated by the State Teachers Retirement System of the State of Ohio or in the event of death, a bargaining unit member’s eligibility for severance pay will be determined as of the final day of his/her employment.

D. No retirement contribution will be deducted from severance pay.

ARTICLE 18A

In order to be eligible for such super severance pay, such member must submit an irrevocable letter of resignation of employment for retirement purposes to the Board no later than February 15th of such year. Any bargaining unit member who elects not to resign his/her employment with the Board at the end of the work year in which he/she first becomes eligible to retire with reduced or unreduced benefits through the STRS shall forfeit his/her right to any payment pursuant to this provision and shall be entitled only to severance pay pursuant to Article 18 of this contract upon retirement.

Payment pursuant to this provision shall be considered earned and payable in July following a full year of retirement.

No retirement contribution will be deducted from the super severance pay.

ARTICLE 19
STRS PICK-UP

A. The Board shall annuitize each certificated bargaining unit member’s total contribution to STRS by deducting that amount before each bargaining unit member is paid. This procedure shall be as follows: The Board shall designate each bargaining unit member’s mandatory contribution to the State Teachers Retirement System of Ohio as "picked-up" by the Board although they shall continue to be designated as employee contributions. The amount of the bargaining unit member’s income reported by the Board as subject to Federal and State income tax shall be the bargaining unit member’s total gross income reduced by the then
current percentage of the bargaining unit member’s mandatory STRS contribution. No bargaining unit member’s total salary shall be increased by such "pick-up," nor shall the Board's total contribution to the STRS be increased thereby. There shall be no increased cost to the Board except incidental administrative cost necessary to implement this program.

B. If there is an adverse determination by the Courts, this pick-up provision shall be null and void. The bargaining unit members acknowledge that the Board is not liable as a result of the implementation of this program and that the bargaining unit member shall assume any liability as the result of an adverse ruling by the Internal Revenue Service or court of law.

ARTICLE 20
INSURANCE AND FRINGE BENEFITS

A. The Board shall offer the health, dental and life insurance plans through the Greater Cincinnati Insurance Consortium to the members of the Bargaining Unit. Upon request, the Association president shall meet with the Superintendent and Treasurer in the event the Board believes that it might be able to obtain coverage through another consortium that is less costly and substantially similar to the coverage provided through the Greater Cincinnati Insurance Consortium. No change to the insurance carrier, broker or consortium shall be made by the Board without the Association’s consent. Both parties shall have the right to bring their representative and health insurance specialists to the meeting.

The carrier of the insurance programs shall provide the Association president all annual summary reports and rate increase data and information at the same time that it is provided to the Board.

B. Insurance premiums paid by the Board for part-time bargaining unit members, should they elect to participate in the particular insurance programs, shall be pro-rated proportionate to the number of hours worked per week by the bargaining unit member.

C. When both spouses are employed by the school district, only one family plan or two single plans will be offered. The Board contribution to the health insurance premium shall be five percent (5%) more than the level of the Board contribution to the health insurance plans as set forth at section I of this article. Spouses realizing this benefit prior to July 1, 2004 shall be grandfathered at a rate of 100% of premium paid by the Board.

D. Any bargaining unit member who is eligible for and elects not to take Board health insurance, and is not insured by the Board from June 1 to May 31st of the following year, shall receive a stipend of $1,000 provided the member applies for such stipend by completing the Health Insurance Opt-Out Form and filing the same with the Treasurer’s office on or before June 1st. Upon the Treasurer’s office verification of timely receipt of the form and entitlement to the stipend, such stipend shall be paid with the June 20th payroll. A
newly hired bargaining unit member is eligible for the opt-out stipend in their first year of employment under the conditions outlined in this section provided the member was not insured by the Board from the date of employment to May 31st of the following year. When both spouses are employed by the school district, only one family plan or two single plans will be offered, and if either one of the bargaining unit members participates in the district’s insurance, as either the insured employee or a beneficiary under a policy, neither spouse is eligible for the $1,000 benefit. In the event neither spouse carries the district’s medical insurance plan, each spouse would be entitled to the $1,000 benefit. Any bargaining unit member not covered by insurance may sign up during the open enrollment period of September 1 to September 15. Any bargaining unit member who was covered by a spouse’s insurance plan and loses that coverage shall be entitled to enroll in the group plan within thirty-one (31) days of the loss of coverage. Any bargaining unit member who is hired after the start of school will have thirty-one (31) days to sign up for the insurance plans.

Appropriate insurance carrier’s contract regarding other enrollment policy will take precedent.

E. For those that choose insurance coverage, the Board shall provide full twelve-month coverage commencing with the first day of school (or September 1, whichever is first) and ending twelve months later (or August 31, whichever is last). This insurance shall continue in effect during absences or illness, as specified in the Ohio Revised Code, for which the bargaining unit member may use sick leave. Bargaining unit members on all other leave of absence (maternity, professional, sabbatical, personal, etc.) may choose to continue participation in this group insurance by remitting the premiums to the treasurer of the Board. Such remittance shall not be required more than thirty (30) days in advance. Upon signature on the proper form to continue his/her group insurance benefits the bargaining unit member shall enjoy uninterrupted coverage.

2. The date a covered person ceases to qualify as a dependent for any reason other than lack of primary support by the bargaining unit members;

3. Two years from the date of the bargaining unit member’s death.

G. The coverage which is continued in force for dependent children will not be affected if the surviving spouse dies during the two year maximum continuation of coverage.

H. The Board shall allow bargaining unit members to purchase additional amounts of life insurance coverage through payroll deduction provided the number of bargaining unit members electing to take advantage of this opportunity is adequate to meet the requirements of the insuring company.
I. The Board shall pay eighty-five percent (85%) of the premium for single coverage of the health insurance plan. The Board shall pay eighty-five percent (85%) of the premium for family coverage of the health insurance plan, except as indicated in paragraph C. of this article.

void of partisanship and bias. Bargaining unit members shall not attempt to limit judgment of pupils on controversial issues, but rather to foster the respect for facts and the impartial search for truth that are inherent in the democratic way of life. 3120.06 - SELECTING STUDENT TEACHERS/ADMINISTRATIVE INTERNS

The Board of Education encourages cooperation with State-approved colleges and universities in the training of student teachers and administrative interns, because the public school offers an essential ingredient - direct experience with students and teachers at work in the classroom. However, certain safeguards have been found to be necessary for the best interests of all concerned.

Colleges and universities should first make contact with the Assistant Superintendent regarding placement of a student teacher or administrative intern.

The Assistant Superintendent shall make the final placement of student teachers or administrative interns.

Professional staff members who agree to serve as supervisors of student teachers or administrative interns may accept honoraria or stipends directly from the college/university for those services rendered outside the regular school day and above and beyond the duties and responsibilities specified in their contracts.

The following conditions shall also be met:

A. The institution making the assignment shall provide to the District on-going supervision in a manner suitable

B. If at any time the quality of teaching or administrative internship is judged to be inferior or s/he is disruptive to the on-going program, the Assistant Superintendent may request withdrawal of that person from the program.

The Board also authorizes the Superintendent to provide, in cooperation with appropriate colleges and universities, a "field experience" program in order for selected interns to gain first-hand knowledge of and experience in a school environment.

The Superintendent may terminate a teaching program if one or more aspects of the program are not of high quality or meeting District needs or expectations.

Student teachers and administrative interns who will receive any financial remuneration from the District must complete a DMA form with no positive indications that material assistance has been provided to a terrorist organization before working in the District (see Policy 8120).

Student teachers and administrative interns also must pass a background check performed by the Bureau of Criminal Identification and Investigation (see Policy 3121).

9130.01 - PUBLIC COMPLAINTS ABOUT THE CURRICULUM OR INSTRUCTIONAL MATERIALS

The Board recognizes the need and right of students to free access to many different types of books and materials. It also recognizes the right of the professional staff to select books and other materials supportive of the Board's educational philosophy and goals.
Criticism of a book or other materials used in the District may be expected from time to time. In such instances, the following guidelines shall apply.

If a parent requests that his/her own child not read a given book or use a given material, the teacher and/or school administrator should resolve the issue, perhaps by arranging for use of alternative material meeting essentially the same instructional purpose.

A. The Board does not permit any individual or group to exercise censorship over instructional materials and library collections, but it recognizes that, at times, a material may be desirable. Should an individual or group ask to have any book or other evaluation of certain material withdrawn from school use, the following steps are taken.

1. The person who objects to the book or other material is asked to sign a complaint on a standard form documenting his/her criticism.

2. Following receipt of the formal complaint, the Superintendent provides for a re-evaluation of the material in question. He/She arranges for the appointment of a review committee from among the faculty and community to consider the complaint.

3. The Superintendent reviews the complaint and the committee’s re-evaluation and renders a decision in the matter. Should the decision be unsatisfactory to the complainant, it may be appealed to the Board.

The Board assumes final responsibility for all books and instructional materials which it makes available to students, and it holds its professional staff accountable for their proper selections. The Board also recognizes rights of individual parents with respect to controversial materials used by their own children and provides for the re-evaluation of materials in library collections upon formal request.

AG9130.01 – COMPLAINT REVIEW COMMITTEE PROCEDURES

The Board will make every effort to provide stimulating, effective teaching materials that will be appropriate to the community’s values and the students’ ability and maturity level.

School district personnel assumes the obligation of observing the following procedures in dealing with questions or challenges from parents or other individuals or groups in the community regarding books or other instructional materials.

There are two types of requests for removal of materials alleged to be objectionable:

A. requests that an individual student be excused from reading certain specified material and

B. requests that specified material be removed from curriculum.

When a parent or guardian of an individual student requests that the student be excused from reading specified material, that request must be in writing and the individual may be excused from reading a specified selection. The teacher will assign the student a book or materials of approximately equal merit and appropriate to the same or related objectives when such materials are available.
All challenges to remove specified materials from use must be presented in writing and include the name of the author, the title, the publisher and the objections by pages and items. The statement must be signed and identified in such a way that a proper reply will be possible.

When films or other nonprint materials are challenged for their appropriateness for use in the school instructional program by parents or legal guardians, the appropriate form provided for this purpose shall be used. Written information specifying the precise nature of the objection shall be given. If a complainant wants to review the materials, they may do so in a designated area on District property. When such a request for reconsideration is received, the committee procedures shall be as follows:

Depending upon the extent and use of the challenged material, either a building level and/or District level review committee shall be established.

A building review committee will function as follows.

A. A secondary building level review committee shall be composed of the principal, the librarian and three other faculty members appointed by the principal and two community members appointed by the Superintendent.

B. An elementary building level review committee shall be composed of the principal and three classroom teachers, appointed by the principal and two community members appointed by the Superintendent.

If the complaint cannot be resolved on the building level, a review committee will be formed. The review committee shall be appointed by the Superintendent and shall be composed of two principals and three teachers competent in the field under question. Committee Review Procedures.

In deliberations a committee shall consider the attitudes of the other teachers within the same subject area toward the materials, the opinions of other competent authorities including parents, reviews of the materials by the American Library Association and other reputable reviewers including parents, and the teacher’s written rationale for using the materials.

The report from the building or review committee shall be submitted to the Superintendent for his/her information or for submission to the Board for a final decision. A written response shall be forwarded to the objecting party after the decision is made. Any restriction of use placed on the challenged materials will be done at the directions of the Superintendent.
